Dear Rachel

**Binevenagh AONB Management Plan**

Thank you for the opportunity to comment on the Management Plan. This has developed into a really useful document, setting out the objectives and actions very clearly.

CNCC has made a few comments on this draft, many of which are tiny points concerning commas and hyphens. There are a few more substantive points about positioning of sections of the plan, which you may wish to consider as you finalise the document. Lastly there are a few additions and amplifications which I hope may be useful.

We believe that the process of developing this plan has been a critical part of the delivery of awareness-raising in the area as well as helping to foster a sense of identity for the AONB. We would like to congratulate all at CCGHT for all the hard work that they have put into the production of an excellent document. Now all we have to do is implement it!

Yours sincerely

**PATRICK CASEMENT  
CHAIRMAN**
